

Bob and Susan Halliday are willing to provide land for a community garden for the Inn of the Good Shepherd. A list of volunteers will be necessary. In addition, anyone who would like to have their own garden plot, or just plant extra in the community garden for themselves, are welcome. All gardening must be organic and the land will be prepared and ready to plant, with water provided, as needed, throughout the growing season. This new concept is open for discussion. The farm is located south-east of Sarnia, about 15 kms. from the church.
